DATE MAILED:

Please find below and/or attached an Office communication concerning the above identified application.

Commissioner of Patents and Trademarks

15. The Brief does not contain a statement of the status of an amendment filed subsequent to the final rejection as required by CFR 1.192(c)(4).

The amendment of 11/04/96 overcame the 112 rejection indicated in the Final Rejection.

Entry of the amendment upon filing of the Appeal was communicated to Appellants in the Advisory. Thus, the Appendix in the Appeal Brief should have reflected the amendment. The Brief is thus defective in not providing the correct Appendix, and in not indicating the correct status of Amendments After Final.

16. Appellants are required to comply with the provisions of 37 CFR 1.192(c).

To avoid dismissal of the appeal, Appellants must comply with the provisions of 37 CFR 1.192(c) within the longest of any of the following TIME PERIODS: (1)ONE MONTH or THIRTY DAYS, whichever is longer, from the mailing of this communication; (2) within the time period for reply to the action from which appeal has been taken; or (3) within two months from the date of the notice of appeal under #& CFR 1.191. Extensions of these time periods may be granted under #& CFR 1.136.
